PATIENT AGREEMENT

Missed Appointment Policy

A \$10 fee applies to each family member who misses a scheduled appointment.

To keep appointment times available for every family we care for, we charge a **no-show fee of \$10.00** for each family member who misses a scheduled appointment without canceling in advance.

As a courtesy, **we waive the first missed appointment** for your family. After that, the fee applies with no exceptions.

Thank you,
Dr. Vemuri and Staff
